## **COMPETITION DETAILS AND RULES**

Date: Sun. August 12, 2018; Doors open at 1 p.m., competition starts at 2 p.m.

Place: Loft 150, 150 N. Mosley.

1. At least one member of the band or solo/duo must be a member of the Wichita Blues Society.
2. Competition will be limited to 9 bands and 8 solo/duos. In the event there are less than 3 entrants in either category, we reserve the right to cancel the competition for that category.
4. Only one winner will be chosen from both divisions to represent the Wichita Blues Society in Memphis.
5. An individual cannot compete in the Band Division and the Solo/Duo Division, in addition, the previous year's winner cannot compete in either division.
6. Bands and solo/duos must live within a 250 mile radius of Wichita.
7. In all fairness to the Wichita Blues Society and other blues societies within our region, it is compulsory that the winner of the WBS Blues Challenge, whether it be a band or solo/duo, must withdrawal their entry from any and all other Blues Challenges they may be entered in.
8. Lots will be drawn in advance by the board of directors to determine the order of competition, and you will be notified via e-mail or phone 3 days prior to the challenge. All band members and solo/duos must be present a minimum of one hour in advance of your designated competition slot or risk being eliminated from the competition.
7. **Stage plot must be sent with the entry form.**
8. The WBS will provide drums and bass rig for the competition. Please bring all other equipment you may need, including: snare, high hat, symbols, kick pedal, drum throne and drum sticks.
9. Each Act will have 20 or 25 minutes to perform, depending on the number of entrants. No extra time will be allowed due to equipment malfunctions.
10. One point will be deducted for every 10 seconds the act goes over the time limit.
11. Acts will be allowed 10 minutes to setup. One point is deducted from your score for each minute over. (This may be waived when band and solo/duo competition is held at the same time. **HOWEVER, THIS RULE APPLIES IN MEMPHIS.**)
12. A panel of judges will be scoring the competition. There should be no contact with the Judges by any individual or representative of an Act during the competition. The score for the Act will be the sum total of all judges scores.
13. Scoring Criteria - Bands should pick material carefully. At the IBC in Memphis, the judges are Blues professionals, and are likely to be unimpressed with song selections that are uninspired.

Each judge will rate each act independently based on the criteria below, which is the same as used at IBC:

- **Blues Content:** The sound and feel of the music should be true to any of blues sub-categories: traditional blues, country blues, soul blues, blues rock and/or contemporary blues. Judges will be listening for inspired and original song selections or new takes on blues standards. Creative reach is encouraged.
- **Originality:** Original work is encouraged. Cover tunes are allowed but playing the recorded rendition lick by lick is discouraged, will not be looked upon favorably by the judges, and will be reflected in scoring. Acts must indicate if their songs are their own original material (this can be done at the start of the set or before each song as appropriate) and/or identify the covers that they are playing and acknowledge the originator.
- **Vocals:** The act's vocal skills to include concepts of tone, musicality, meaning, and expression.
- **Instrumental Talent:** Ability level on all instruments featured within the act.
- **Stage Presence:** The ability to command the attention of the audience by the impressiveness of one's manner and appearance on stage. Judges will consider how an act connects with and engages the audience in the music. Proper use of microphones and amplification will be considered.

We strongly encourage you to visit <https://blues.org/international-blues-challenge/> for more detailed information and rules.

14. The winning band is awarded \$1,000 and a solo/duo is awarded \$500 for travel expenses to IBC. This will be awarded one week before IBC starts.
15. The winning band or solo/duo are required to perform at the WBS Fall Blues Crawl to be held on the last Sunday of September 2018. (The band is paid \$250 and a solo/duo is paid \$100 by the venue not the WBS). The WBS will subsidize an additional \$150 to the band and \$50 to the solo/duo for this event
16. The winning band or solo/duo is required to perform in the 2018 WBS Blues Ball in November. The Band will be paid \$500, solo \$100, and duo \$200 for performing their 20-25 minute competition set at the Blues Ball.
17. Each solo act, duo and band member will receive one comp “ticket” for a guest to attend the Blues Ball and Fall Blues Crawl; guests’ names must be submitted to the WBS in advance of both events. We ask that guests not attend sound check as this is a hectic time and must arrive when the doors open for the general public.
18. In addition, the winning band is normally invited to perform at the Chautauqua Hills Blues Festival in Sedan, Kan., in May 2019. That invitation is paid for and by the CQ Festival representatives. WBS has no say in that event.
19. In the event the winning Band or Solo/Duo is unable to compete in Memphis after receiving the travel money, it must be returned to the WBS upon request.
20. It is the intent of the WBS that the winning Band or Solo/Duo remains intact with no additions or subtractions to the original winning line-up through the entire schedule of playing the committed requirements listed above and the competition in Memphis. However, in the event where one or more members are prevented or unable to attend the competition in Memphis, the following will be given as an alternative to resolve the situation:
  - A. The band must immediately approach the WBS board of directors via phone call or email to Don Bean to request a line-up change and explain the reason(s) for such action.
  - B. The board will then consider the request based upon the following:
    - 1) Is it in accordance with The Blues Foundation rules or by Blues Foundation permission
    - 2) No more than 50% of the group can be replaced
    - 3) No adding to the group, i.e.; If four members won then only four are allowed to represent their Band or Solo/Duo.
    - 4) No subtracting, same as item 3)
    - 5) No changing or altering the structure of the original winning band; i.e., drums, bass and two guitars won, then that structure must remain; no other instrument change is allowed, i.e., a harmonica cannot replace a guitar. The intent is to maintain the original sound as judged in the competition.
  - C. All requests for a change must be made and approved 30 days in advance of the IBC Challenge in Memphis January 2019.
  - D. All decisions made by the WBS board are final.
